

MacKay Bridge to close for maintenance

May 11, 2010

Dartmouth, NS – Halifax Harbour Bridges (HHB) advises motorists that the **MacKay Bridge will be closed to all traffic from 11:00pm Thursday, May 13th to 5:30am Friday, May 14th**. The Macdonald Bridge will remain open but weight restrictions apply.

The closure is necessary to make improvements to the bridge supports. The road deck will be jacked up to complete the installation of columns on the suspended span side of the cable bent.

The work is being completed during off hours to reduce the impact on travellers. HHB apologizes for any inconvenience this closure may cause.

HHB is the forward thinking manager of key transportation infrastructure assets across the Halifax Harbour. Its mission is to provide safe, efficient and reliable passage at an appropriate cost.
