**The Tradition Continues -  
Free Tolls on Bridges Christmas Day**

**December 19, 2014 (Dartmouth, NS)** – Halifax Harbour Bridges (HHB) reminds bridge users that from 12:01 am to 11:59 pm on December 25 (Christmas Day) travel on the Macdonald and MacKay Bridge is free.

“Providing free travel on the bridges Christmas Day is a tradition that began in 1983,” explains Steve Snider, General Manager and CEO for HHB. “Traffic volumes are low on Christmas Day so it allows more of our staff to be home with friends and family and is a gesture of thanks to our customers.”

With almost 34 million crossings HHB’s mission is to provide safe, efficient and reliable cross harbour transportation infrastructure at an appropriate cost.
